The People of God In Mission Part 1

This spiritual disciplines folder is part 1 of a complete reading of the Book of Acts in a devotional manner. We can see how the early church is a model of renewal. This form can help you discern your path to reading scripture and disciplines for spiritual growth.

The book of Acts was written by the author of the Gospel of Luke to tell of the coming of the Holy Spirit at Pentecost and the founding of the early church. This book can speak to us personally in a special way.

As you consider your walk with Christ, take some moments to pray about where you feel God is leading you in your next incremental step in Christian discipleship. Below are spiritual disciplines. Circle disciplines you practice and add a new one for these next 7 weeks which is part I.

As you read the daily scripture, let it guide and inspire you for that day. Let us be in prayer for one another as we seek to learn more about Christ and the life of discipleship and the victory of Easter. May this be a season of joy and new life as we walk with the Risen Lord.

1. Daily read and meditate on scripture and have focused prayer.
2. Reflect daily on what draws you to walk in New Life with Christ and how you feel led to be the church in mission right around you.
3. Weekly participate in worship and Sunday School.
4. From the list of disciplines below, discern the next incremental step you feel God calling you to follow to be a person of God in mission.
5. Being a season of renewal, think of some way you can enter mission in your neighborhood. Look for where you could spread the Good News of the Gospel in your family, your church, your community.

List of Spiritual Disciplines: Meditation, Prayer, Fasting, Study,
Simplicity, Solitude, Submission, Service,
Confession, Worship, Guidance, Celebration.
