

## There are many reasons for giving thanks.....

Like the old hymn instructs us, "Count Your Blessings." Our lives are full of many reasons to thank God. As you read these Scriptures daily, may they inspire you to give thanks to our awesome God. In many ways and in many seasons He gives and His blessings are overflowing. I pray that you would also be led daily to enter into a prayer time of thanksgiving and praise.

So often we fail to recognize what God has done for us. How He sustains us and strengthens us in difficult times. Then when our lives seem to go by with little conflict or trial, we forget what God continues to do each day. The ability to get out of bed or just live for God, should give us a reason to pause and thank our great God daily.

We should not forget to thank God for all that we have, but also for all the people who are in our lives. Not just our spouses, children, and extended family, but we need to lift up those who are in our church families.

As we praise God, let our thanks extend to others. Do not forget to thank others for what they have done in our lives. Let our words of thanks encourage one another to love and good works. Also, be creative as a congregation in showing our thanks to our great and giving God together.

As you read these scriptures, you will find some verses emphasized in parentheses. These verses are the main verses of each scripture, indicating thanksgiving and praise.

Grace and Peace to all, Pastor Barry
