

## STRANGERS IN A STRANGE LAND

A stranger in a strange land. That is how Daniel and his friends felt. They were strangers in a land that was not their home. They were a few of many in exile in Babylon. Even Daniel and his friends were blessed in this time of exile. Because of their faith in God and refusal to turn from their faith, they were persecuted. God rewarded their faithfulness as they were rescued from death.

The later part of Daniel's book reveals his future apocalyptic dreams. The dreams and stories we read of Daniel and his friends, gave encouragement for the Jews. May these words also encourage us to remain faithful to God in times of persecution and everyday trials.
