

1. Description of disciplines folder on Hebrews for September 7—November 29 2014

“The Superiority of Christ—Worthy to be Followed and Worshiped” is the title of a Disciplines Folder on the book of Hebrews for September 7 through November 29, 2014, from the Springs of Living Water initiative in Church Renewal. After a description of the book of Hebrews, there are Sunday and daily scripture readings for meditation, along with suggestions for next steps in daily disciplines. There are also accompanying Bible study questions for individuals and group settings.

These resources are written by Vince Cable, pastor of the Uniontown Church of the Brethren, who for years has written the Bible study questions for the folders. We pray this folder and questions might help us reflect on the Superiority of Christ and what that can mean in our lives and in our churches.
